

FISCAL NOTE

HB 3922 - SB 4009

February 12, 2008

SUMMARY OF BILL: Authorizes four of the six hours of behind the wheel training in a driver education course for Class D vehicles to be conducted on a range and on a simulator.

ESTIMATED FISCAL IMPACT:

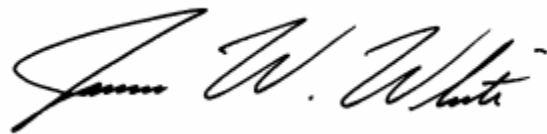

Increase State Expenditures – Not Significant

Assumptions:

- According to the Department of Safety (DOS), the department currently regulates driver training schools which are operated by private industry.
- DOS indicates a set of rules currently exist that outlines various requirements for the driver training businesses and their instructors, and that there is nothing within these current rules that would prohibit the authorization provided in this bill. As a result, any increase to state expenditures is estimated as not significant.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
